

JOYCREAM FRIZZZI POP PINK 5

Red fruit flavoured cream with crunchy inclusions for a sparkling and crackling effect on the palate.

One-of-a-kind, extremely versatile, it adapts to all the most surprising ice cream creations and is also excellent as a filling for parfais and creams. Use it in pastry making as fillings for pralines and crunchy couvertures.

Also available the [Choc variant](#). Discover the whole [Joycream](#) range of products.

NOTE:

- For a surprising crackle effect you always have to maintain a two parts ice-cream to one part variegate balance.
- As all non-stabilised products, the dry and fat components tend to separate and it is thus important to stir them well before use.
