#### STEP 1

# PARADISO g 1.000 EGGS g 600 WATER g 150 SVELTO g 30 ALL-PURPOSE FLOUR g 150

#### **PREPARATION**

PARADISOg 1.000 Whole eggs g 600 Water g 150 SVELTO 80g 30 Flour g 150 Beat the PARADISO with the eggs, water and SVELTO 80 in a mixer (or with an egg beater) at medium speed for 8-10 minutes, then incorporate the flour delicately. Use a pastry bag with a suitable nozzle to place pieces of the desired size on baking sheets with ovenproof paper. Bake at 220-230°C for about 5 minutes with the valve closed. NOTE: the same mixture can be used to prepare sponge fingers or 'granellati'.
