GRATED LEMON ZEST - 1/2		

#### **INGREDIENTS**

MIRROR LIMONE - HEATED IN THE MICROWAVE TO ABOUT 40°C

To Taste

#### FINAL COMPOSITION

Evenly spread a 0.5cm layer of crunchy base into a steel ring.

Slowly pour the cheesecake mousse onto the crunchy base, leaving a 2-3mm free space to the edge of the mould, and refrigerate for 4-5 hours at least.

Glaze the top with MIRROR LIMONE.

Refrigerate until the glaze hardens.

Remove the cake from the mould and top with some fresh lemon slices.
