FINAL COMPOSITION

Divide the dough into portions and shape each portion into a sort of rope.

Gather a group of them (2,3,4 or 5, as you prefer) and plait them to form a braid.

Put in the proofer room for 40-50 minutes at 28-30°C, with relative humidity of approximately the 70-80%.

Brush the braided brioches with beaten egg.

Bake in a deck oven at 190-200°C for about 20 minutes (measured out for 450g braids).

ADVICE: we suggest to bake the braids before the rising is at its maximum.

AMBASSADOR'S TIPS

You can replace butter with margarine.
