#### FINAL COMPOSITION

Spread the almond bisquit with the pistachio crunchy filling and lay it at the bottom of a rectangular steel mould.

Spread a 1cm layer of pistachio mousse onto the surface, then put the dessert in a blast chiller to make it harden.

When the pistachio mousse is quite firm, fill the mould up with the chocolate mousse.

Return the entremet to the blast chiller until completely hardened.

Remove the dessert from the mould, cut into single-portions of the desidered dimension and glaze them with MIRROR PISTACCHIO.
