g 400

g 40

PREPARATION

In the planetary mixer, whip all the ingredients with a whisk at medium-high speed for 10-12 minutes.

Spread the dough on a silicone baking mat or a baking paper sheet. Bake for 6 minutes at 220 °C closed valve in a fan or rotary oven.

Once the cooking is done, place into a blast chiller and leave to cool completely.

Cut the rollé with a 4 cm diameter round cutter, then make a 1 cm wide hole in the middle of each circle (like a sort on donut) and brush slightly with PRALIN DELICRISP COCONUTY.
