g 1500

g 70

g 1500

g 500

PREPARATION

Blend all ingredients together.

Pour the mixture into a batch freezer and leave until the preparation is complete.

VARIATION

INGREDIENTS

JOYCOUVERTURE EXTRA CHOC DARK

To Taste

PREPARATION

Take out some gelato, sprinkle with melted Joycouverture extra choc dark.

Stir with a spatula in order to break the crystallised chocolate into small irregular pieces and to incorporate them into the gelato.

Add the remaining gelato and repeat this step once more in order to create a stracciatella effect.
