

## YOGURT & MELON ICE FRUIT

### MELON TOP ICE

---

#### INGREDIENTS

WATER	g 2500
JOYQUICK MELONE	g 1250

#### PREPARATION

Combine JOYQUICK and water using an immersion blender.

Pour mixture in a suitable silicone mould.

Put in a blast chiller until fully hardened.

### YOGURT GELATO

---

#### INGREDIENTS

MILK	g 3000
JOYQUICK YOGURT	g 1200

#### PREPARATION

Combine JOYQUICK and milk using an immersion blender.

Allow to rest for 10-15 minutes.

Pour the mixture into a batch freezer and leave until the preparation is complete.

Place the gelato into an ice-cream container and level the surface.

#### FINAL COMPOSITION

Remove the top ice from the silicone mould and place it onto the gelato.

Put into a blast chiller for at least 10 minutes.

Remove from the blast chiller and finish with DOBLA TURITELLA and DOBLA FOREST SHAVINGS MIDI ORANGE.
