----------------------------------	----------

##### FINAL COMPOSITION

In a special mold (ROME Silikomart), deposit a uniform layer of dough up to one third of the capacity.

Place a previously cooled insert inside (in a blast chiller) of Farciforno Apple Cesarin.

Fill up to two thirds of the capacity of the mold with linzer dough.

Bake in the oven at 180°C for 38-40 minutes.

After having cooled the cake, cover it with a mix of two parts Coverdecor White Chocolate and one part of Coverdecor Dark Chocolate brought to about 50°C.

Decorate with dried edible flowers and silver foil.
