After resting, roll out the dough to 3mm in a sheeter so as to always have the strips perpendicular to the rollers, and therefore lengthening them and not widening them.

Cut the dough and make rectangles measuring 32 x 3.5 cm.

Wrap the freshly cut dough around the still frozen brownie cylinders (2 turns).

Place in a leavening cell at 28-30°C for 150-180 minutes with relative humidity of 70-80%.

Cook at 145°C for 20-22 minutes, after exiting the oven polish with BLITZ or alternatively with a saturated syrup (water and sugar 40-60%)

Once cool, finish with the red fruit compote.

Finally decorate with Peach blossom.
